

## **May 11, 2009 USPS® Rate Change**

On Tuesday, February 10, 2009, the USPS® announced that there will be a second rate change this year, which will become effective on Monday, May 11, 2009.

This increase will affect First Class Mail®, as the cost of a one ounce letter will increase from \$0.42 to \$0.44. There will be no changes in the current additional ounce price, which remains at \$0.17.

Prices for other mailing services — Standard Mail, Periodicals, Package Services (including Parcel Post), and Extra Services — will also change.

Prices for most shipping services, including Express Mail® and Priority Mail®, were adjusted in January and will not change in May.
