

## **FP Mailing Solutions Lends Help This Season**

ADDISON, IL Dec. 1, 2008 – FP Mailing Solutions, a world-class mailroom solutions provider, is helping local community members in need this holiday season.

FP and its employees are contributing gifts of clothing and toys, placed around a giving tree in the lobby of the company's Addison IL headquarters. This program is coordinated by the Addison Community Switchboard, which provides local assistance throughout the year, including a holiday gift program for more than 260 families.

The FP Mailing Solutions family also is donating to the Northern Illinois Food Bank. Northern Illinois Food Bank, founded 24 years ago in Wheaton IL, serves 520 food assistance sites across 13 counties and last year distributed 22 million pounds of food.

"We are proud to help support our local community during this season of sharing," said Michael Doumas, FP Mailing Solutions CEO. "I thank our employees, who make these drives successful."

FP Mailing Solutions meets the needs of small, mid-sized, and large organizations. FP is known for its technologically-advanced equipment, reputable dealer network, superior customer service, and excellent value. To learn more, call FP at (800) 341-6052 or visit [www.fp-usa.com](http://www.fp-usa.com).
