

FP Mailing Solutions names new IT Director

ADDISON, IL Oct. 12, 2007— FP Mailing Solutions, a world-class mailroom solutions provider, has named John E. Payton as its Information Technology Director.

Payton comes to FP Mailing Solutions from Edward Hines Lumber Co., where he served as IT Director.

“We’re pleased to have John’s two decades of IT management experience on our team,” said Michael Doumas, Chief Executive Officer of FP Mailing Solutions. “His strategic planning abilities are a solid match with our goals.”

“I’m excited to join the fastest-growing mailing solutions provider in the country,” Payton said, “and I’m looking forward to furthering that growth.”

Payton, of Hawthorn Woods IL, earned his MBA at the Keller Graduate School of Management, and his bachelor’s degree at Roosevelt University. He previously served as Information Technology Manager at Elkay Manufacturing Co., and as Computer Operations Supervisor at Cybertech and Lutheran General Hospital.

With U.S. headquarters in Addison IL, FP Mailing Solutions meets the needs of small, mid-sized and large organizations. FP is known for its technologically-advanced equipment, reputable dealer network, superior customer service, and excellent value.
