## **FP Mailing Solutions Once Again Lends Local Help This Holiday Season**

ADDISON, IL Nov. 30, 2009 – FP Mailing Solutions, a world-class mailroom solutions provider based in Addison IL, is once again helping local community members in need this holiday season.

This year, FP and its employees are contributing gifts of clothing, toys, food, and their time. The Holiday Sharing program is coordinated by the Addison Community Switchboard, which provides local assistance throughout the year for more than 260 needy Addison families who would otherwise do without.

As in the past, FP is sponsoring a Giving Tree, which includes employees choosing a child and donating clothing or toys, based on their needs. The FP family is also sponsoring a food drive with donations going directly to the Addison Community Switchboard. New this year, FP employees are also volunteering their time on a Saturday in December to help pack and distribute food and gifts for these families.

“These were such successful events last year, and we’re happy to be able to expand our assistance this year,” said Michael Dumas, CEO of FP Mailing Solutions. “We are very proud of our employees who take the time and make the effort to help support our local community during this season of sharing.”

FP Mailing Solutions meets the mailing and postage needs of small, mid-sized, and large organizations. FP is known for its technologically-advanced equipment, reputable dealer network, superior customer service, and excellent value. To learn more, call FP at (800) 341-6052 or visit [www.fp-usa.com](http://www.fp-usa.com).
