## **FP Mailing Solutions Announces New CEO**

ADDISON, IL June 4, 2010 – Effective June 1, 2010, Anthony Malak will act as new CEO of FP Mailing Solutions, a subsidiary of the global FP Group based in Birkenwerder, Germany. Mr. Malak is an expert in logistics and has been employed by FP as Chief Operating Officer (COO) since 2004. After receiving an MBA in Business Management, he acquired extensive expertise in logistics, strategic planning, management, and improving systems and processes. Before joining FP, Mr. Malak held the position of Vice President of Logistics for an educational company for approximately fifteen years. Previous to that position, he was employed by a Fortune 500 company.

“Tony Malak is a natural-born leader, as well as being an experienced manager. We are looking forward to working with him in order to lead FP towards a successful future,” states Andreas Drechsler, member of the Management Board of the FP Group. “At the same time, we would like to thank Michael Doumas for the excellent contribution he has made to the business over the past five and a half years. In his role as CEO of FP, Mike has significantly increased the profitability of the company, and, in doing so, laid the best possible foundation for further growth. We are also pleased to report that he has agreed to continue working for the FP Group as a consultant.”

With U. S. headquarters in Addison IL, FP Mailing Solutions is a world-class mailroom solutions provider, meeting the needs of small, mid-sized, and large organizations. FP is the nation’s fastest-growing mailing systems supplier, known for its technologically-advanced equipment, reputable Dealer network, superior Customer Service, and excellent value. To learn more about FP’s comprehensive family of products and services, call (800) 341-6052 or visit [www.fp-usa.com](http://www.fp-usa.com) .
